

Library Catalog = Destiny = Destiny Discover

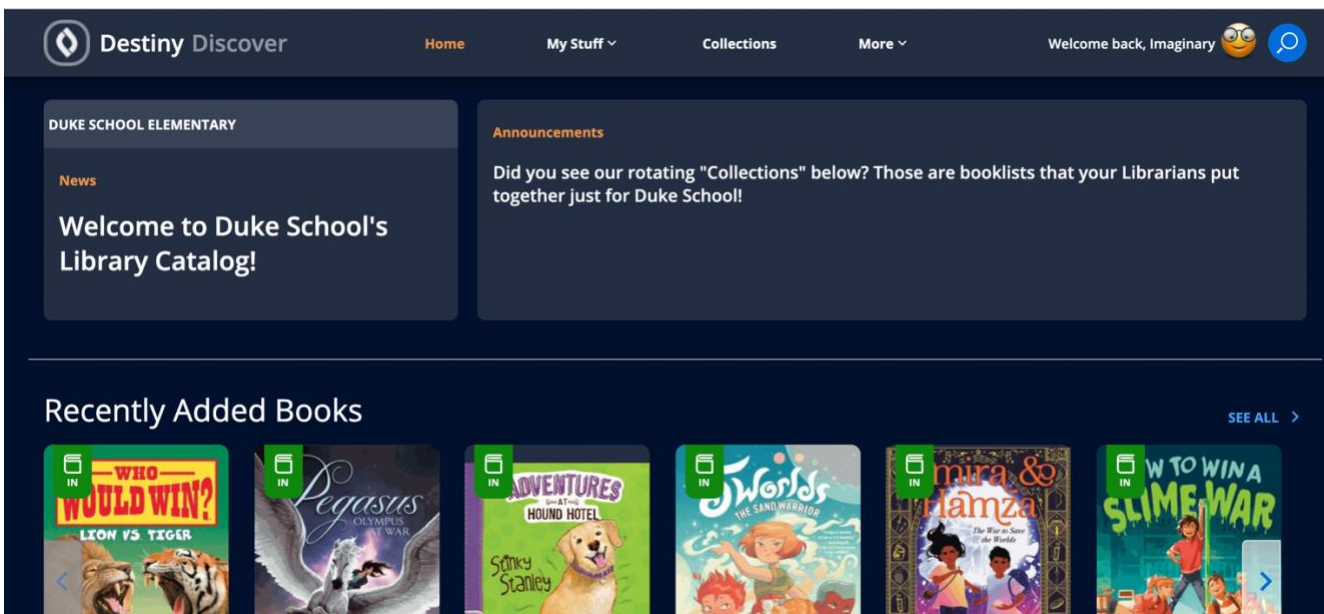

NOTE: The Library **website** is NOT the Library **catalog!**

2 interfaces to the library catalog (like 2 doors to a house):

1. **Destiny** “back office” (what you see in the library)

2. **Destiny Discover** (easiest to use for Holds & browsing)

3 Uses for the Library Catalog

- Search & browse
- HOLD books (if you're logged in as you!)
- Checkout (in the library) & Renew (from anywhere)
